Dear David Park,

Many thanks for the original printing of Oswald in New Orleans.

From an old issue of Publishers Weekly I got recently I learn that you are helping in an assassination book. That leads me to ask if you will be kind enough to send me copies of what you get on or about the coming flood. My interest is archival only.

I've already established a new 30th anniversary file for the little I've been sent.

The one I leave for the 25th is about 10-22 inches, without any tapes in that separate box. All the many media people I helped did as I knew they would, say what I do not agree with. Scholars of the future can decide for themselves from the unedited original materials.

I do not get PW or any trade punlications or releases from publishers.

Thanks and best wishes,

Harold Weisberg
